

[illegible]

Figure 1 consists of two maps. The left map, titled "Location of County within State", shows the state of Illinois divided into counties. One county, located in the central-eastern part of the state, is highlighted in orange. The right map, titled "Sheet Location within Entity", shows a large yellow rectangle representing the state. A smaller yellow rectangle in the bottom right corner represents the highlighted county.

The plotted map scale is 1:11000
